

Youth Sailing Program 2009 Application

Thames Yacht Club is pleased to announce our program for the summer of 2009. Sailing classes are designed for boys and girls between the ages of 5 and 16, regardless of sailing experience. Whether your child is just beginning to sail or is sharpening their skills for a summer full of small boat fun or racing, the staff and facilities of the Thames Yacht Club can enhance any young sailor's abilities. TYC's instructors are certified by the United States Sailing Association and the Club's Junior Sailing Program is associated with the Eastern Connecticut Sailing Association and U S Sailing. The program offers classes to introduce young children to the joy of sailing and start them off with a solid foundation in sailing theory and small boat handling skills. The program also offers classes for more experience junior sailors. On-water instruction is conducted in IOD 95 Optimist Dinghies, and Club 420s. Optimists are sailed /raced by sailors up to age 16. The Club 420s are used for the Optimist graduates and older students and are used in Team Racing events.
